Dear Al,

Thank you for speaking with us as part of our project on periodic review for the Administrative Conference of the United States (ACUS). Please find attached a draft of our paper for your review. While we welcome your comments on any aspect of the paper, your feedback is especially welcome on the portions of the draft where we describe the interviews, our findings, and recommendations (Sections 4-6). Given the timeline for review prior to the ACUS plenary, we need to receive your feedback in two weeks, by Tuesday, March 2<sup>nd</sup>. Please let us know if that timing is not feasible for you.

Thank you again for your help with this study. We have learned a lot and have really enjoyed the opportunity to discuss periodic review with you and others.

All the best,

Lori Bennear and Jonathan Wiener
